REMY

Miss LaCroix has got quite the set of cakes on her. The kind you can eat all day without ever tiring of them. Her ass is full, round, and ready to be eaten up. Seeing her spread out on a dining room table is enough to make any man hungry for some hot cakes and wet pussy! Remy likes it in both her holes, and will gladly pleasure both at the same time. But her goodies do look a little naked; maybe a lucky man can frost them for her.

CONFESSIONS OF A HOLLYWOOD CALL GIRL

Hot play-for-pay action in Tinsel town

I really like being a hooker in Hollywood. Chicks who fuck guys for free really crack me up. I get paid for sex—and enjoy it.

The biggest laugh is when girls pay guys for their dick. People act as if sucking cock were a new way to fuck. Some girls hang around bars, hoping some jerk will take them home and actually get their dick hard for them. Big deal. I bet guys are quicker to remember my phone number (and price) than the ones who dish it out for free.

Guys just smell sex around me. They know they are really going to experience true sucking and fucking. Sure, all the psychology books talk about liking yourself. Who needs them? I like myself. I like my body and I don't mind sharing it for a price—what I think it's worth. My customers think I look like a modern-day version of Marilyn Monroe. The young ones think I'm some hip college student.

When I look into the mirrors lining the walls and ceiling of my bedroom, I have to agree. My measurements, for the record, are 5' 3", 38-24-34. My skin is creamy and I wear my naturally blonde hair long. I look innocent when I flutter my lashes over my baby-blue eyes and pout the way Marilyn knew how to.

But I'm smarter than the average prostitute. And I don't need a pimp. I can take care of myself and get my own customers, without anyone's help (at least you can with looks like mine). I really like doing it with my customers' cocks—big or small—fat asses or tight asses. And I know where the bank is. This baby is not going to land on the streets.

Believe me; I'm not into kinky sex. Sadism and

masochism are not my style. One bad experience was enough for me. When I first got into Hollywood after I had left San Francisco (that's another story, but later) I was staying with a friend who was working Hollywood Boulevard. I didn't have much of a wardrobe, only those girlish clothes I had worn back in high school. Since I had left high school and home, it wasn't exactly a stunner of a wardrobe.

One year later I was still acting like I was going to college, when this friend I was telling you about asked me to take over one of her customers. I was using her apartment when this john came in. Mr. Three Piece Suit himself, a lawyer or doctor, mustache, tall, youngish and like a good lay.

He insisted I undress him, but keep my panties on. After he licked me and sucked my nipples he took something out of the briefcase he had brought with him. "Tie me up, Jamie," he said as he handed me the leather. "Then I want you to whip me on my ass." I hesitated. "Get going, Jamie," he instructed.

"I'm not going for it," I answered, a bit appre-

hensively. Finally, when he stopped, he was so horny that when his dick slid into me I felt like I was split open. He was great for licking.

Well, it was a turn-on but not one I want to repeat. I must say he was generous. He threw a wad of bills at me and asked if he could see me again, but

I told him that I was leaving town. As soon as he left I took the money and took off for the beaches for a couple of weeks.

There were some really attractive guys without any of that bullshit. Most of them were Hollywood directors or producers, or so they said. Although I'm a superb actress I don't use it for the screen, but on my clients.

Before I tell you how I had this set-up (a cool crib in Malibu with drop-in privileges for the movie director who paid for it), I must tell you how I got my hot, sexy looks.

My mother was always good looking and lots of hot guys passing through from New York, Chicago, and San Francisco would stop by and say hello at lunch in the Podunk town in Nebraska I grew up in. One day, while Dad was at the store and I was supposedly at school, I skipped school and found my mother screwing this dude from Chicago.

Seeing enough of that led to my decision that it was about time some of the boys saw me in the

silky and peachy satin underwear my mother was always wore. All the boys were dying to get into my pants, so I let the football captain get in one day after a game, and then the rest of the team at the next game. It was hot fun.

Pretty soon the whole town knew and even my mom was pissed at me. So one day when this pretty well-hung dude came into town for my mother, I knew I wanted to get into his pants. And it didn't take much to convince him to take me along to Vegas, where he wanted to make a score at craps. While my mother was at the store helping my dad, I got to try the dude out.

He was fantastic; he had those jerks on the football team beat. He took his time before he finally stuffed his dick inside me and asked me how I liked it. That's a gentleman type. I was really going for it. I hated to get out of bed but I knew we'd better take off before my mom got back. So I packed and soon the wind was blowing through my hair in this dude's Corvette as we headed for Vegas.

It was great for the first few days—eating in these flashy entertainment-type restaurants and fucking in between the time he played and won enough to take care of it all. I also was gifted with a great new wardrobe for myself.

But one day, after a pretty good head-job, he told me that he was broke and that I would have to hustle and sell the clothes he had bought, to pay for our stay at the hotel. Before I could shower he brought some guys in our room and stood outside collecting the tabs, which were pretty high. I enjoyed taking the guys on because I liked the differences in cocks, and trying all kinds of tricks really helped me. But I got mad when I didn't get any of the bucks. He was losing them the same night.

Finally I told him that I would go to a guy's room and turn the money over to him at the craps table. He went for it and I went for a few generous types, collected the money and ran right out the back door of the hotel with the clothes on my back (and the old stuff he didn't sell), and put myself into a taxi headed for the airport to catch a flight to San Francisco.

I had the address of a guy who used to send me cards and presents when I was younger, a friend of my mom's. When I called him from the airport he said he would be driving a silver Porsche and be smoking a pipe. I didn't have trouble picking him up at the terminal. This older guy with salt-and-pepper hair, tweed jacket, and tight-crotch pants was the one. We recognized each other instantly.

As we drove through the city of San Francisco, with its white houses on hilly streets overlooking a blue bay, I was totally dazzled. He took me to the Top of the Mark for cocktails and pointed out the

sights. "Before you were born, Jamie," he leered at me, telling me about the time he and my mother went to a party at a house on Pine Street. "The house had been owned by a madam and eventually turned into a night club called The Fallen Angel." He and my mother were so drunk, he said, that they almost ruined the act of a stripper there, who was going to take a milk bath. They had to be pulled out of the tub before she could do her act. "And to think that the madam who owned that house is now the mayor of a nearby town, her third term around," he said as we pushed for his place on Telegraph Hill.

He plied me with champagne before he tucked me into bed with him. He recalled how my mom hadn't been eager to get into bed with him and his wife the night they got home from The Fallen Angel, so they had crashed at the St. Francis instead. "I guess threesomes weren't in style then," I answered as he undressed me and told me how much I looked like my mother.

Pretty soon he was massaging me slowly from my head to my tits and then to my clit, rubbing me so gently that I stopped blowing him and ordered him to put it inside of me. I stayed with him about a week and called my mother up to let her know where I was because I thought she would be worried (even if I had gone off with a good friend of hers).

I thought she would feel relieved that I was with a good friend of hers. I thought she'd have a heart attack when I told her what a good lover he was.

Without leaving a note, I took off for Hollywood. There I met the girl who loaned me the place where I first stayed, and took off for the beaches and soon got myself settled in this nifty crib in Malibu.

The guy who set me up was weird. He'd pick up the tab for the house, the gardening, etc.—he even give me a car—but nothing for food and clothes. Besides, I was bored just sitting around admiring the beautiful flowers in the garden, the music, the TV, the empty refrigerator and the Yorkshire terrier he had given me for company.

So I walked down to Hollywood Boulevard, picked up some underground newspaper for prospects and a few johns on the way. I now know why Hollywood has the reputation for being such a freaky place. The fantasies people are into, whether they're in the movies or not or whether high on drugs or burnt out, is simply amazing.

Well, while I was leafing through the ads like "Gorgeous male wants gorgeous chick for kinky sex"—nothing but body exchange, I thought, when this absolutely sexy (I do mean sexy) stud followed me home when I told him my price. "No problem," he said, and believe me there was none for we got into the sack for ten hours. Man, was he a machine!

So after breakfast I very coyly asked him for the money and he kind of smiled and said he'd have to mail me a check. I wasn't going for that; I was so mad that he took off. I looked through his wallet after he left and found all kinds of good credit cards. This guy could have really written a good check. So off I went to Rodeo Drive, where all the rich bitches from Beverly Hills spend their bucks. I bought myself a fabulous outfit or two. I got away with it by saying I was his wife. Then I mailed the credit cards back. I really have high moral values; I could have bought the store out.

It was getting so I needed some intellectual stimulation so I went to the library and picked up some

books like "Married Men Make the Best Lovers." While I was checking it out I noticed this mousey chick who smiled at me when she stamped my book. Sure enough, we were into a conversation and before I knew it I had invited her to stay over with me.

Mindy soon blossomed in my house. Suddenly I noticed that she was pretty when she put on my

on your back and Mindy, you get on top of her. Then I'm going to ass-fuck you." That might be the best thing I thought, because a deflowering at this point would be messy.

It worked out great in that position. I felt I needed a hot tubbing so I left the two together. I was soaking myself in this luxurious Jacuzzi surrounded with plants and mirrors, with just the Yorkshire terrier for company, when I heard this banging at the door. I didn't want to disturb Mindy and my good provider so I wrapped a towel around myself and went to the back door.

Was I surprised! There was this dude who had bought the outfits—that is, I had bought it for myself, for him. He was smiling and holding some flowers in one hand and a bottle of champagne in another. I pulled him in to the tub area and while we were drinking some champagne and he was laughing about the outfit, Mindy and the director came up. I told the dude to wait a moment and came back with the outfit over me

makeup and sexy when she took off my underwear. She was 21 and still a virgin. I thought I would be a good one to initiate her sex life.

One night after dinner we were sitting rather close on the sofa, watching some TV, when I started kissing Mindy on the mouth. My lips then went down to her breasts, down her belly, and pretty soon I was eating her pussy. It didn't take her long to catch on because pretty soon she was massaging me and moving down and rimming me.

We were so turned on by each other that we didn't hear the click of the key in the door. The only other person who had the key was the guy who was setting me up, so in he came and pretty soon he got into the act.

He took off his jeans; he just couldn't wait for us to do it. Pretty soon we were like doing a ballet number. First he worked on me from the front, breast massaged me and slipped his cock into me, while Mindy took over the back. Rimming was definitely her specialty. Then, like the film director he was, he started setting up the scenes. "Jamie, you stretch out

and not a stitch underneath.

"Enough of this shit. You look gorgeous, but better without," he said. Well, before I knew it he pushed me into the tub and Mindy was pushed right after, and pretty soon we were fucking as a couple and then we exchanged partners. I really like the feel of water spraying inside my hot pussy while I'm coming with a guy in the hot tub. Soon we got out and tumbled into bed. After a few hours of sleep we were ready to give it another shot. I certainly earned my clothes and my crib.

These days, things are running smoothly. Mindy has given up checking out books at the library but is acting as a sort of stand-in for me, even getting her own johns. My investments are doing well. We're moving up to Beverly Hills and as soon as I get the place decorated, I might just run for mayor, unless business is too good to give up.

So if you're in Beverly Hills sometime and got some time (and a lot of money) on your hands that you don't know what the hell to do with, why not give me a call?

TATYANA

Tatyana and her man are experts in fucking like wild animals. They've done it in every position, stretched every hole, and orgasmed on anything that'd support them. After all that, her favorite times are had in the strangest positions with the goofiest banter.

DOUBLE YOUR PLEASURE

*Makes me wonder if
it was all a dream*

Linda squeezed the cheeks of Michelle's ass as she pulled her friend's snatch harder against her probing tongue.

Linda sat in a lawn chair, still wearing her bathing suit, as her girlfriend stood before her. Her knees were trembling as spasms shook her ripe young body. The bottoms of the red bathing suit were at her feet; the top was still around her chest, but the left breast hung free. The nipple remained stiff from the loving licks and kisses it had received the night before.

I had been trying all morning to paint my house. So far I had covered about three square feet. My legs ached from standing on the ladder, but my neck ached even more from stretching around to get a better view of my sexy neighbors as they lounged beside their pool. The fence was no obstacle to a guy on a 20-foot ladder. They were too busy pleasing and teasing each other to notice me.

The girls had rented the house next door for the summer. But before today, my greatest thrill had been watching them cut the grass in skimpy shorts and halter tops.

They were airline stewardesses in their early twenties. They had long blonde hair, big boobs, long legs, and firm young asses. And they were tanned all over. I had guessed they sunbathe in the nude, but the high fence around their yard had kept me from finding out until today.

My wife was working and I had taken the week off to paint. I had no idea the girls next door would be home. I figured that stewardesses work odd hours.

My heart skipped a beat as both girls stood up and dropped their red suits. It was like seeing double: Two beautiful blondes with perfect

tans and four hard nipples. What a mind blower! They were breathing rapidly as they pressed their bodies together and kissed. Pussy ground against pussy as their breasts crushed against each other and their tongues searched each other's mouths.

It was difficult to stay balanced on the ladder with a hard dick, but I wasn't about to climb

BLAIR-NTS-00

...those eyes were hovering over me as he positioned himself on top to slide his dick inside. A chill rushed through me as he penetrated my starving pussy...

down. The paint brush was in my hand, but I forgot about painting.

With their lips still locked together, the girls knelt down and then stretched out on an air mattress. I think Linda was on top of Michelle, but it was really hard for me to tell. Linda's boobs are a little bigger.

Linda was between Michelle's legs and was thrusting her pussy against her friend's box, as if she were a man. Michelle's legs were locked around Linda's waist, and they were grinding their pussies together wildly. Both were close to orgasm.

The pumping became more rapid just before they both stiffened and came together. I climbed down the ladder. I had to go inside and give myself relief, if only with my hand. But just as my foot touched the ground, I heard a voice. "He's gone," Linda said.

"Damn!" Michelle chimed in. "It was fun with him watching. A couple of times I thought he was going to fall off the ladder!" They giggled.

I stood frozen in place. My hard-on pressed against the front of my jeans. "Let's invite him over for a swim," one of them said. I heard the rustle of their suits sliding back on. I ran into the house, so they wouldn't know that I'd been listening. Moments later there was a knock at the back door.

"Hi, Rick." It was Linda, her big boobs thrusting forward.

"Hi, Linda." I answered.

"We saw you painting. It looks like hard work. You want to take a dip in our pool and cool off?" she asked.

"Sure," I replied, trying to act casual. "Let me get my suit."

"You won't need one." She smiled. "No one will see us."

I closed the door behind me and followed her twitching butt back to the pool. There was a pitcher of lemonade waiting. We sipped the cold drink and talked. My eyes devoured their two beautiful bodies; their suits barely covered their tempting flesh. My dick was now in a permanent state of erection.

Finally Michelle stood up and reached behind her back to unfasten her top. Before I could catch my breath, her bottoms were down too. Linda was also nude in a flash. I was speechless.

"Come on, Rick. Don't be shy. Let's go swimming," Michelle teased. I stood frozen in my tracks.

"He wants us to help him," Linda added as she reached out and grabbed my t-shirt, and quickly slipped it over my head. Meanwhile, Michelle knelt and unbuckled my belt. Her hands jerked off both my jeans and under-shorts with one tug.

My erect dick popped into view. It stood straight out from my body. "Oh!" they

gasped in unison. "Our neighbor has a problem, but we can't let him swim like that," Michelle said. "He might shoot a load in our pool!"

"What a waste that would be," Michelle whispered as her mouth engulfed the swollen head of my cock. Her mouth was warm and wet as she slid her lips up and down the shaft. The touch of her tongue flicking the tip of my burning rod was too much. I felt the jism boiling in my balls. I trembled as the first spurt erupted into her sucking mouth.

She sucked harder and drank every drop as my cream poured from my pole. As my softening noodle slipped from Michelle's mouth, Linda

groaned.

"Look what you've done. You've ruined our plaything. It's all soft and shriveled." Her hand cupped my balls as she patted my flaccid cock. It began to swell again from the excitement of her touch.

I'm not usually good for more than one sex bout, but these two horny chicks were turning me on like never before. I wanted to bury my pole in both their cunts before the day was over. They certainly seemed ready.

"Does drinking lemonade always make you hard?" Linda asked as she planted little kisses up and down my shaft. My dick was half hard again.

"It wasn't lemonade," I confessed. "Watching you two from the ladder is what got me."

"Glad you liked it," Michelle said. "The show was for your benefit."

"If it was for his benefit," Linda asked, "how come you came three times?"

"I had four," Michelle shot back. "You had three, and you know how that wicked tongue of yours gets to me."

As Linda continued to lick my cock to a full stand, Michelle took my hand and put it between her legs; her pussy was hot and slick. I easily slid two fingers inside, and my thumb rotated her swollen clitoris as her hips pumped against my hand.

She closed her eyes, rolled her head back, and gasped as her pussy clenched my finger like a vise. Then she came. Her expression, along with Linda's mouth on my cock, had me completely ready to bang like an animal.

They began to argue over who would get

fucked first. "You can both have it," I said. "Get back into the position you were in before, like a man and woman fucking. I'll do the rest."

As soon as they were in position, with Michelle lying between Linda's legs, I got down behind them. I slipped my hard rod first into Michelle, doggie style. Then I pulled out and slid it into

Linda's pussy, while still stretched out over Michelle's back.

Once I got the rhythm, it was simple to give three strokes to Michelle and then drop down and give three to Linda. The only problem was in deciding who would get my load.

That problem was solved as Linda eased herself under Michelle until Michelle's mouth was sucking her slippery cunt. That left only Michelle's round hips sticking up in the air as I rammed my cock deep into her steaming hole.

The humping ass and the busy lips eating pussy were more than I could stand. I pulled Michelle hard against my body and dumped my load into her sucking cunt. She screamed and creamed with me. Seconds later Linda also screamed as her Michelle's talented tongue

took her to another orgasm.

They managed to get me hard one more time that afternoon, and I fucked Linda as she straddled me and Michelle sat on my face while I ate her sweet pussy. I closed my eyes and wished that it would never end.

The girls moved away at the end of summer, and believe it or no I'm glad. They were too close to home. I do love my wife, but those chicks were too much temptation. Take my advice: If you ever get a chance to double your pleasure, it is worth the risk!

CRYSTAL & SWEET HONEY

What's sweeter on the eyes than two beautiful women enjoying each other's bodies? Two guys ready to worship their big bouncing asses with a girthy tribute, that's what! Sweet Honey and Crystal can't wait to taste every part of everyone else in the room. It'd be a shame if they had such a good time in private, without at least taking a few tasty photos.
